

GREENSPACE:

Who maintains Greenspace?

There is no maintenance, per state law. Hazardous conditions are reviewed by the Greenspace Inspector or a local arborist on a case-by-case basis.

Who should I call with questions concerning Greenspace?

Call Ron Edgerton, Greenspace Advisory Committee chairman at 231-5642.

Can construction materials be stored in a Greenspace area?

Print and submit this Materials Storage Permit Application to Suzanne Clingman - Greenspace Inspector at 688-8400.
