Sheriff's Citizens' Patrol is a volunteer program comprised of adult residents who want to develop an insight into the profession of law enforcement.

Members are graduates of the Sheriff's Citizens' Academy, a 12 week training curriculum provided to gain insight into the functions of the Hamilton County Sheriff's Office.

Additional training opportunities are provided throughout the year.

By providing sponsorship of this program, the Hamilton County

Sheriff's Office and Anderson Township help members learn how various community and government agencies function through their association and exposure.

Citizen Patrol groups have proven to be an excellent component to law enforcement and their continued use develops strong bonds between citizens and law enforcement.
