

## **Great Trees Photography Contest**

In conjunction with its Great Trees contest, the Anderson Township Street Tree Committee is sponsoring a Great Trees Photography Contest. The photography contest is open to Anderson Township high school students, regardless of the high school attending. Cash prizes will be awarded. All entries will be displayed at the Anderson Center in early 2017.

### **Attention All Anderson Township High School Students**

Anderson Township has some beautiful trees, and we would like your help in finding them, photographing them and entering them in the Great Trees contest. There are actually two separate contests: one for best photograph of a tree and one for the best tree.

The rules are simple:

- 1) Find the tree.
- 2) Photograph the tree.
- 3) Get the homeowners permission to enter the tree in the Great Trees Contest if the tree is in someone's yard. (See permission form below.)

- 4) Each entry must contain three 5 x 7 photographs:
  - One photo of the *entire* tree straight on so judges can get an overview of how the tree looks.
  - Two photos of different aspects of the tree i.e. the same tree in a different season, just the bark, the tree grove, etc. Be creative!
  
- 5) Entries must be received at the Anderson Center (7850 Five Mile Rd, Cincinnati, OH 45230) **by Friday, November 11<sup>th</sup>**. They can be mailed or left at the front desk. All entries should include photographer's name, email, cell phone, name of high school *plus* the location of the tree and the homeowner's permission form, if applicable.
  
- 6) All entries will be exhibited at the Anderson Center in early 2017 and some will be included in an issue of Anderson Insights magazine.
  
- 7) Most of all, have FUN as you observe and document some of Anderson Townships greatest assets—our beautiful trees!
